UJ Combating Corruption Summit

Fraud and Corruption Investigations & Post-Incident Remediation

We provide comprehensive support in identifying, investigating, and addressing instances of fraud and corruption.

Our capabilities include:

- conducting in-depth forensic investigations to uncover fraudulent and corrupt practices
- gathering and preserving evidence for potential legal or regulatory proceedings
- engaging with regulators, law enforcement, and internal stakeholders
- assessing control failures and root causes
- recommending and implementing remediation strategies to address weaknesses and prevent recurrence
- supporting recovery of misappropriated assets and managing reputational impact

Our approach ensures that clients not only respond effectively to incidents but also strengthen their resilience against future risks.
